Permanents Secretary Report – Board Meeting 2nd April 2014

1. Validations and new events

All events ridden up to 3oth March 2014 have been validated

All new events submitted up to 3oth March 2014 have been published

2. Recording and processing of new events

Various problems, such as delete function mentioned by Recorder, have occurred and been referred to Nigel to be resolved. Separation of validated events up to 200km for recording from established organisers and longer events and/or those from new organisers "on probation" would help .

3. Statistics

Numbers of rides for this season so far comparable to this time last year.

4. Objectives and development for this year

As reported to previous Board Meeting

30th March 2014
