AUK General Secretary – Board Meeting Report 9 October 2019

Insurance

Our annual policy was renewed in August. The premium rose in line with the market.

AGM

I have obtained quotes from our two regular online voting site suppliers. Subject to a bit of further investigation into the detail, I will go with the most competitive, as authorised at the previous board meeting.

We are booked in for the Ibis Birmingham New Street.

Ged Lennox has assured me that the next issue of Arrivee will be published in time for the AGM notice to be sent out.

Annual Reunion

Invitations and thank you emails were sent to all board members and delegates in September.

As of this morning, there were 65 bookings and I would expect a few more late bookings when I send out the awards and trophies notifications.
