

BMR170712 Calendar Events Secretary Report

London-Edinburgh-London

This starts in Loughton on Sunday 30th July 2017. Despite some frantic last minute preparations everything is on course for the event to be another great success.

National 400

This was held in Upton Magna on 24th June 2017 and was organised by John Hamilton of Shropshire CTC. There were 147 finishers with places selling out within a few weeks of going on sale.

I've already had a few tentative notes of interest to organise the National 400 in 2018.
