

GUIDANCE FOR THE RESUMPTION OF PERMANENT EVENTS IN GUERNSEY

All sports, including contact team sports, are allowed to recommence in accordance with their national governing bodies guidance where relevant

The Department for Culture Media and Sport has confirmed to AUK that it can proceed in England on the same risk assessment and guidance basis as outlined in British Cycling's "The Way Forward" with appropriate adaptations for our sport.

www.britishcycling.org.uk/zuvvi/media/The_Way_Forward_Issue_2_24-07-20.pdf

As Audax UK governs randonneur cycling and British Cycling does not, Audax UK proposes a phased return of audax events in Guernsey.

The initial resumption of permanent events to a maximum nominal distance of 200km on the 1st of August is an intermediate step towards resuming events of a longer duration, and the subsequent introduction of calendar events. It is therefore vital that organisers and participants familiarise themselves with and follow this guidance.

Any failure to respect this guidance could invalidate the insurance for the event, jeopardise AUK's ability to obtain future insurance or potentially cause damage to the image of our sport.

Risk assessment

Organisers should continue to undertake the usual careful and comprehensive risk assessment for every event and activity. Risk assessments must now include measures to manage social distancing where required, and for effective infection control.

Hygiene

Organisers should have regard to the provision of hand washing and toilet facilities on their routes and, where practicable, should make this information available to entrants. Entrants should bring sufficient materials to maintain their own hygiene.

It should not be necessary to share equipment during an event so the risk of COVID-19 transmission through fomites is accordingly very low. Where equipment is shared, care should be taken to clean such equipment with a disinfectant spray or wipe prior to it being returned to the owner.

Social distancing

The risk of droplet transmission during an event is low; face to face contact is unlikely and it should normally be possible to maintain either 2 metre or 1 metre plus mitigation distancing.

Event organisers and riders should not arrange events or form groups that exceed 6 people from different households.

Audax UK governs randonneur cycling and related cycling disciplines in the UK, Isle of Man, and Channel Islands, by virtue of its association with the international governing body, Audax Club Parisien

AUDAX UNITED KINGDOM LONG DISTANCE CYCLISTS' ASSOCIATION Ltd
Company No. 05920055 registered in England & Wales
Registered Address: Unit 6, Whitelands, Terling Road, Hatfield Peverel, Essex CM3 2AG

The use of shops, cafes or other facilities during an event should be kept to a minimum and riders should comply with the applicable guidelines, including with regard to handwashing and the wearing of appropriate face coverings.

Behaviour Code

Each participant must follow Audax UK's Behaviour Code at all times.

Refunds

Organisers should offer a refund of entry fee paid to anyone who needs to withdraw their entry because they or a member of their household has COVID-19 symptoms, or because they have been asked to isolate by NHS Test and Trace.

Brevet Cards

Organisers will need to store for an appropriate interval and/or clean completed and submitted brevet cards to ensure they are safe to verify.
